

When I Die
(Richard and Maureen Hall)

A D A D

When I die, don't you cry for me.

A D A E

Just lay this old body by an Ozark stream.

A D A D

Goin' straight to heaven, that's where I'll stay.

A E D A

That old river washed my sins away.

(chorus)

A D A D

Cleanse this dusty heart. Rest this weary soul.

F#m D E D A

Call this simple one back home. Back home.

Too many troubles, and too little time.

Too many questions, weighing on my mind.

Answer's in the river. Grace I have found.

Dancing on the water, when the sun's going down.

(chorus)

When I die, don't you cry for me.

Just lay this old body by an Ozark stream.

All will be forgiven, dust in the wind.

And I will be the river, and the river never ends.
